PROFILE

Currently pursuing a BSc (Hons) in Management and Information Technology (MIT) at the University of Kelaniya (Faculty of Science). Building on a solid science background from Dharmapala College, Bandarawela, I am deeply passionate about Cybersecurity and am working toward specializing in this field. I aim to leverage my analytical skills to protect and secure digital infrastructures.

EDUCATION

2023 Dharmapala College Bandarawela
GCE ADVANCED LEVEL | Z score : 1.3206

2024 - Present University of Kelaniya
BSc (Hons) in IT - Department of Industrial Management

PROJECTS

i. 2D Pong Game | C++ Group Project

- * Programmed real-time physics and collision logic for smooth gameplay.
- * Optimized memory management and game-state tracking using C++.

ii. Tourism Management & Booking System | Java, OOP, MySQL

- * Developed a modular app for hotel and vehicle bookings using OOP principles
- * Implemented secure authentication and input validation for data safety.
